

Human Resources Management Certificate Program Curriculum Planning Guide - Required Classes

While students may register for the Capstone prior to having completed the core class requirement, ALL required classes must be completed prior to attending the first session of Capstone.

Total **required** course hours in this program is 102, with an additional 21 elective hours needed to earn the program certificate of completion. Electives may be taken before, concurrently, or after the Capstone.

*This required class recommended to be taken first.
